Middle News: Term One, 2013.

Welcome back everyone. We hope that you have all had a wonderful break.

This year members of the level 3 team are: Sue Kitchingman, Jane Searle, Heather Saynor (Teacher of the Deaf), Sheryl Taylor, Jade Thorpe, Ian McCall and Caroline Jones.

Thank you to families for your efforts to ensure the school year began smoothly for your child. The children are looking very smart in their uniforms and are very excited about their books and new areas.

Please note: Hats are compulsory throughout term one.

Please label all items, both uniform and stationery.

Home Communication: Each child has a ‘zip bag’ take home folder for their diaries and notices. This bag is to be taken home each day and returned each morning. Diaries are used in class and are valuable for any parent/teacher communications. We ask that these be signed by a parent or guardian each week.

If you wish to speak further with your child’s teacher, please make an appointment that will be suitable for both of you.

*Drink bottles: these should have a spill proof opening and be named. Children are encouraged to bring them into class each day.

* Specialist classes: begin next Monday 4th February. Please bring art smock, runners for PE and library bags for next week.

* Fruit snack: each day the children will have the opportunity to have a fruit snack break. We encourage smaller pieces of fruit for this time.

* Tissues: It would be appreciated if all children could bring along a box of tissues for our classroom.

* Canteen: will be open on Monday, Thursday and Friday.

Learning……

Literacy: this term will see the introduction of The Daily 3 and CAFÉ reading.

Maths: Our main focus for this term will be addition, subtraction, time and graphs.

Integrated: Our learning will integrate ‘Identity’. The children will explore their own identity and develop an understanding of identity at a national level.

We look forward to a very exciting term of learning and getting to know each other!!!

Thankyou……Level 3 teachers 😊😊😊
