

## **EASTWOOD PRIMARY SCHOOL COMPULSORY UNIFORM**

It is important that our students present their uniforms in a manner that reflects positively on themselves and their school. Teachers are vigilant in monitoring this important area.

Specifically, any uniform items defaced or modified will be regarded as non-compliant and a replacement will be required. It is absolutely essential that we get 100 percent parent endorsement of this requirement. This should support our students, your children, to develop an understanding of what demonstrating a respect for themselves and a pride in their school means. Our students are regularly on show to a variety of visitors, when on excursions and whilst travelling to and from school. We want to be proud of their presentation on all occasions.

Parents will be notified in writing when a student is out of uniform and asked to ensure that their child is attired in accordance with the Eastwood Primary School and Deaf Facility uniform policy.

All clothing and the school bag should be clearly marked with your child's name.
